TERMS

Payment: 80% mobilisation on acceptance of this quote, 20% balance on completion of the job.

Interlocking paving stones are supplied by the client; the rates above cover workmanship, site clearing, scarifying and levelling only. The 100 sqm area is provisional — final area laid is jointly measured on completion and billed at ₦2,500/sqm. Should the area exceed 100 sqm, the excess will attract an extra charge at the same rate. Should the interlocking pavement supplied by the client be insufficient to complete the area, Nature's Beauty Construction will source and supply the extra interlocking pavement at ₦13,000/sqm, billed in addition to the amounts above.

Client to provide unrestricted site access. Payment by bank transfer. This quote is valid for 30 days from the date above.
